Here at Stella's Kitchen, every drink tells a little of our story. We're a family-run team in an iconic orchard-view venue, hosting everything from relaxed long lunches to once-in-a-lifetime weddings and milestone events. Our list leans local—craft beers, seasonal cocktails, and our own Stella's Farmhouse Wines, crafted from our vineyard in the Yarra Valley—so every toast feels right at home.

Stella's is proudly and independently owned and operated, separate from Montague Farms, while celebrating the history and beauty of the surrounding orchards. Whether you're toasting "I do," gathering colleagues, or simply unwinding for the afternoon, we're honoured to pour something special for you.

Cheers from our family to yours.
